

# IN HOME CARE AGENCIES

## PROVIDER CHOICES & OPTIONS

This information is to help you begin your search and selection of an in-home care agency. Care provided by an in-home care agency is highly customizable and can include short term companion care, 24/7 live-in care, or respite care. The care provided by these agencies will complement our services and further aid in keeping you comfortable wherever you call home. These organizations are not affiliated with Hospice Brazos Valley. Any contracts you make with an agency will be between you and the agency. In-home care is an out of pocket expense and separate from Hospice Brazos Valley's services.

Please speak with your Hospice Brazos Valley social worker to discuss your in-home care giving options.
